About RP Group

RP Group's strategy is to reinforce its position as a leading, diversified, business group with a presence in: construction and infrastructure, real estate, hospitality, healthcare, education, IT and retail.

Meeting the growing demand for resources, products and services in ways that minimise environmental and social risks is a key component of the Group's operational strategy.

At the core of RP Group's growth strategy is an unwavering commitment to quality, service and innovation.

As the world economy becomes ever-dynamic and inter-connected, the organisation believes its diverse group of employees will be a force that sets it apart from the competition.
