About

Karnataka Education Trust

Karnataka Education Trust was founded in 2003 with the virtuous objective of bringing educational institutions in the fields of Medical & Paramedical, Engineering, Arts & Science, and Management. The sprawling big, lush green campus is abode to numerous foreign nationals from more than 25 nations like Congo, Eritrea, Egypt, Iran, Iraq, Ivory coast, Mali, Nigeria, Ruanda, Sudan, Saudi Arabia, Syria, Tanzania Uganda, Yemen and SAARC nationals like Afghanistan, Bhutan Nepal and Sri Lanka. Many eligible students have been receiving scholarships from Government bodies like Indian Council for Cultural Relations (ICCR), EdCIL (India) Limited and Ministry of HRD. It has been a tradition where students excel in the final exams securing university level ranks every year across all the institutes of KET which leads to marvelous job placements. To be on a par with the evolving knowledge we have add-on certificate courses, as an enrichment program, besides the regular curriculum.

I must explain to you how all this mistaken idea of denouncing pleasure and prsing pain was born and I will give you a complete account of the system

Register Now

Course Overview

The postgraduate course focuses on the application of the theories of business and management in the tourism, travel, and hospitality industry. It is theory-based and covers topics like marketing, promotions, maintenance, tourism development, tourism marketing, transportation, hospitality, and hotel management. Learning and understanding are promoted through credit courses and electives that encourage holistic development, social interaction, and extra-curricular participation. The course equips candidates to address the many challenges in tourism and travel; and find useful strategies to ensure a smooth and successful business.

The course aims to develop analytical ability and problem-solving ability in students. The course is strengthened further by a strong academic foundation, experienced faculty, and excellent infrastructure. The Placement Cell encourages fresh talent and provides multiple career opportunities in businesses and nonprofit organizations.

Candidates who take up the Master of Tourism and Travel Management course in Christ University Bangalore will have diverse knowledge about the multiple applications of business concepts and management strategies to overcome current business challenges and find useful solutions and strategies to ensure a smooth customer experience and profitable business.

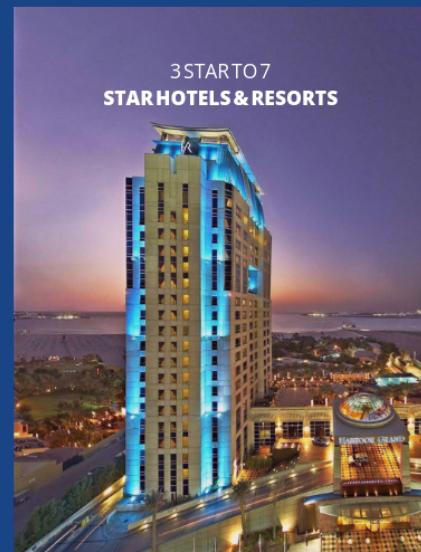

Skills like rational thinking, project management, logical reasoning, critical-thinking, team work, planning, organization, decision-making, research, and entrepreneurship are enhanced through tools like case studies, presentations, seminars, internships, brainstorming, demonstrations, panel discussions, projects, workshops, industrial visits, and guest lectures included in the Master of Tourism and Travel.

Program Objectives

- 🎓 To provide a strong foundation in tourism, travel, and hospitality management and its many applications in the tourism and hotel industry
- 🎓 To create graduates who can analyze real-time problems by applying continuous reflective learning techniques
- 🎓 To provide practical experience and exposure so that candidates can design and develop immediate solutions through analytical thinking and decision-making
- 🎓 To provide an environment of adaptability and continuous learning
- 🎓 To develop and enhance skills like:
 - 🎓 Conceptual Skills: integrated view, ideation, innovation, analytical skills
 - 🎓 Problem-solving Skills: risk management, communication, negotiation
 - 🎓 Public Speaking Skills: group communication, attitude, adaptability
 - 🎓 Teamwork Skills: learning, dedication
- 🎓 To integrate the concepts of professional, ethical, and social values to ensure quality research and develop solutions to regional, gender, language, and age barriers
